

TEACHER CERTIFICATION PROGRAM FOR COLLEGE GRADUATES

AGRICULTURAL EDUCATION

Neag School of Education's Teacher Certification Program for College Graduates (TCPCG) in Agricultural Education is designed to prepare college graduates for certification as teachers of agriculture (grades PK-12). College graduates who have completed or anticipate completing an accredited bachelor's degree program at this or another college or university may apply for admission to the TCPCG when their academic background includes completion of the following general education and subject area major requirements. Applicants must also apply to and be accepted by the Graduate School of the University of Connecticut to pursue a Master of Arts degree in Curriculum and Instruction. To earn the University of Connecticut's institutional recommendation to serve as a teacher, students must successfully complete the requirements for the Master of Arts degree in Curriculum and Instruction.

Plan of Study Requirements for Agricultural Education Certification

1. A bachelor's degree from a regionally accredited institution.

2. GENERAL EDUCATION REQUIREMENTS:

General academic courses: Applicants must have 39 semester hours of coursework that meets five of six of the following areas: (1) English; (2) Natural Sciences; (3) Mathematics; (4) Social Studies; (5) Foreign Language; or (6) Fine Arts. Applicants must have a three semester hour survey course in U.S. History.

3. SUBJECT AREA MAJOR REQUIREMENTS:

Complete a SUBJECT AREA MAJOR consisting of a minimum of thirty-nine (39) total credits, including at least 24 credits with content in agriculture, animal science, plant science, environmental science, environmental studies, agricultural economics, food science, natural resources, nutritional sciences, pathobiology and veterinary science, and closely related subject areas such as plant and animal biology, ecology, and other natural sciences. Up to twelve (12) credits of these 39 credits may be completed in areas related to teaching school-based agricultural science, e.g. leadership, communication, groups and organizations, career development, community service, etc.

4. PROFESSIONAL EDUCATION AND SUBJECT AREA REQUIREMENTS:

MASTER OF ARTS IN CURRICULUM AND INSTRUCTION
